VEHICLE STORAGE AGREEMENT

for one year from..... to.....

- 1 Longterm Parking Varna will store the client's car at its' secure compound located near to Varna Airport.
- 2 The car will be cleaned prior to each client visit and delivered to the Airport, having given a minimum notice period of five days, and handed over to the client.
- 3 The Client will be met at the Airport on departure from Varna, having given a minimum notice of two days, and the car will be returned to the compound.
- 4 Prior to each client visit the car will receive a routine levels check for coolant, oil and tyre conditions.
- 5 Routine preventative maintenance packages are available if required at a quoted price.
- 6 Annual insurance and road tax renewals can be carried out by Longterm Parking Varna on behalf of the client on request with appropriate payment made in advance. Note if road tax has expired we will be unable to drive the car on roads in Varna in addition insurance could also present a problem hence these requirements must be adhered to by client or through Longterm Parking Varna to fulfil our obligations to the client regarding our service agreement.
- 7 The cost for the service outlined above is Euros per annum payable in advance and includes 4 airport drop off and collections each year.
- 8 Additional airport drop off and collections will be charged at the rate of Euros per visit.
- 9 At all times Longterm Parking Varna and its staff will use their best endeavours to care for and treat the client's car exactly as they would a company owned vehicle.
- 10 Longterm Parking Varna cannot accept any responsibility or liability for the client's car whilst in its safe keeping.
